TO MEET THE FINANCING GAP IN FUNDS FOR THE REDEVELOPMENT
OF PEACE ARCH AND WHITE ROCK ELEMENTARY SCHOOL PLAYGROUNDS

Donor Information Package

Playgrounds for White Rock Elementary and Peace Arch Elementary Schools

These schools are in immediate need of a replacement to their aging, unsafe playgrounds. Major sections of the playgrounds have been removed for safety reasons this summer. The Parent Advisory Committees (PAC) of these schools have committed incredible time, energy and resources to funding its replacement. There is a financing gap of about \$150,000 and the Rotary Club of White Rock is stepping in to assist the PACs.

The White Rock community has limited playground facilities for children. The use of the school playgrounds not only benefit the students but also others in our community: children from infants to teens, parents, grandparents, caregivers and neighbours. There is open access to these playgrounds throughout the year: on school days, weekends and holidays, as a community active play facility.

The Rotary Club of White Rock

The Rotary Club of White Rock is a non-profit charitable society operating within the framework of Rotary International. The purpose of the organization is to provide funds for projects supporting community development, assisting the less advantaged in our society, improving basic education and literacy which includes academic and physical skills, maternal and child health and youth development.

Our latest project is raising funds to meet the financing gap for White Rock and Peace Arch elementary school playgrounds. With the help of the community and local philanthropists we will be able to achieve our goal of raising the remaining \$150,000 to build these playgrounds. We are well on our way with \$90,000 collected until October 31, 2019. We look forward to your support to cross the finish line soon.
